### STATE OF NEW HAMPSHIRE

[L.S.]

*To the Inhabitants of the Town of Goffstown, in the County of Hillsborough, and in said State, qualified to vote in Town Affairs:*

You are hereby notified to meet at the Grange Hall in Goffstown Village on Tuesday, the tenth day of March next, at eight o'clock in the forenoon, to act upon the following subjects:

First—To choose all Town Officers and Agents for the ensuing year, including a member of the Board of Selectmen for three years.

Second—To see how much money the Town will vote to raise and appropriate for the Goffstown Public Library.

Third—To see how much money the Town will vote to raise and appropriate for maintenance and improvement in our Cemeteries.

Fourth—To see what sum of money the Town will vote to raise and appropriate for maintenance and improvements at the Barnard Playground.

Fifth—To see if the Town will vote to raise and appropriate the sum of Four Hundred ($400) Dollars for the suppression of the White Pine Blister Rust.

Sixth—To see if the Town will vote to authorize its Selectmen to borrow from time to time, as needed, cer-

tain sums of money in anticipation of taxes, not to exceed in total at any time the sum of Forty-five Thousand ($45,000) Dollars, giving the Selectmen the right to renew said loans in anticipation of taxes as may be found necessary.

Seventh—To see if the Town will vote to authorize its Selectmen to administer or dispose of any Real Estate acquired by the Town through the Tax Collector's Deeds.

Eighth—To see if the Town will vote to allow its Selectmen to renew the Bridge note, so called, held by the Hillsborough County Savings Bank, upon which Seven Thousand ($7,000) Dollars is due August 1, 1942, at such times as the bank may require.

Ninth—To see if the Town will vote to accept State Aid for the construction of Class Two Road, known as the Shirley Hill Road, and to raise and appropriate or set aside for said purpose the sum of Two Thousand Four and 75/100 ($2,004.75) Dollars, the State to contribute an equal sum, or will vote to accept State Aid for improvement of Class Five Roads and to raise and appropriate the sum of One Thousand One Hundred Six and 93/100 ($1106.93) Dollars, the State to contribute Four Thousand Four Hundred Twenty-seven Dollars and 71/100 ($4,427.71) Dollars.

Tenth—To see if the Town will vote to arrange for the collection of garbage and rubbish in the Fifth District, and to raise and appropriate money for the same. This article is inserted by request of Robert M. Gordon, Health Officer, and the Goffstown Chamber of Commerce.

Eleventh—To see if the Town will vote to raise and appropriate the sum of Two Thousand ($2,000) Dollars, to

provide for additional Fire, Police and Health protection, due to the war emergency.

Twelfth—To see if the Town will vote to buy five hundred feet of two and one-half inch fire hose, and raise and appropriate money for the same.

Thirteenth—To see if the legal voters of the Town are willing to undertake the responsibility of fighting fires and lighting streets in said town, including the Village District; to elect five fire wardens as follows,—two for one year, two for two years, and one for three years, and to raise and appropriate money for the same, providing that said District legally votes to abandon said purposes.

Fourteenth—To see if the Town will vote to authorize its Selectmen: to (1) accept and improve the extensions of Summer Street already built a distance of about five hundred feet and to raise and appropriate money for the same, (2) to build extensions to this street to a house or houses when such house or houses are built, provided that each future extension required does not average more than two hundred feet for each new house built. This article is inserted by petition of A. Kenneth Hambleton and ten others.

Fifteenth—To see what sum of money the Town will vote to raise and appropriate for the support of the poor, construction and maintenance of highways and bridges, and all other necessary Town expenses for the ensuing year, including the amount required for Memorial Day.

Sixteenth—To hear the reports of Agents, Auditors, and Committees and pass any vote relating thereto.

Seventeenth—To transact any other business that may legally come before said meeting.

Given under our hands and seal this twenty-third day of February, 1942.

GEORGE L. EATON,
LESTER CLARK,
FRANK N. SIMONS,
*Selectmen of Goffstown.*

## PRECINCT AND TOWN REPORT OF FIRES

---

### 1941-1942

During the past year we have been called for 65 fires, 14 in the Precinct, 50 in the town and 1 fire in Dunbarton.

Precinct fires: 4 chimney, 2 building, 5 grass, 1 dump, 1 oil burner, 1 ties.

Town fires: 10 building, 9 chimney, 20 brush, 5 dump, 2 grass, 1 auto, 3 trestle.

To the inhabitants of our town: We are asking for your co-operation in the times which we are now entering. Carelessness on your part may mean losses of great magnitude; it may mean loss of many hours of defense work.

We are training men as Auxiliary Firemen in case of emergency but even then we will need your help.

Are you trying to get ready? We are and will try our best to give you all the protection we possibly can.

We wish to thank the School Board for their co-operation in taking care of the fire hazards which have been called to their attention. With this kind of co-operation we can all get ahead and be a help to the taxpayers.

M. E. FARLEY, *Chief*
R. M. GORDON,
W. S. WHIPPLE,

## REPORT OF BARNARD PLAYGROUND COMMISSION

---

The Playground Commission has carried on the routine care of the playground, making necessary small repairs. Owing to the drought, it was not possible to use the pond for swimming after the first few weeks of summer. Enough water came in the fall, however, to provide good skating this winter.

Through the faithful service of Boy Scouts, Stanwood Sterling and John Ewart, the flag has been flown on all legal holidays.

Enough clay has been provided to recover the second tennis court. The high school students conducted tennis tournaments in the spring and fall. The baseball diamond was well used. There were the usual lawn parties for the benefit of the Fire Department and the American Legion.

Respectfully submitted,
GORDON HART, *Chairman*
WM. BAILEY
WM. WHIPPLE
EUNICE C. BODWELL, *Sec.-Treas.*

## REPORT OF TRUSTEES
## GOFFSTOWN PUBLIC LIBRARY

---

On October 15 the town offices were removed from the children's room of the library to a more convenient location across the street. We were making preparations to restore it to its former use when a call came from the Red Cross for the loan of the room for classes in Home Nursing. While the Trustees know that the younger children definitely need a portion of the building for themselves alone we felt that the present emergency calls for co-operation in every way and we were unanimous in giving our consent. We regret the continued inconvenience to the adult patrons of the library as well as the impossibility of doing adequate work with the children but we feel sure the townspeople will agree that we could not have refused such a request at this time.

A one per cent increase in non-fiction coupled with a slight decrease in the total circulation shows the trend of the times. With most people employed full time and with Civilian Defense projects, Red Cross work and other similar activities there is little chance for light reading and greater demand for more serious books. It is obviously impossible for the library to buy every book which would be useful or desirable but suggestions for purchases are always welcomed and are helpful to the book committee in making up its lists.

Our librarian, Miss Marden, and her assistant, Miss Harrington, attended one day and evening session of the American Library Association convention at Boston in June. Including as it does, members from all over the United States, this organization has much to offer in the way of help and inspiration and it is seldom that the meetings are held as near home as Boston.

Miss Marden had charge of the local collection of books for the soldiers in camp in the drive conducted last month by the A.L.A., Red Cross and U.S.O., and forwarded some 175 volumes contributed by Goffstown residents. For these, and for donations to our own library grateful acknowledgment is hereby made.

## REPORT OF THE CEMETERY TRUSTEES

---

On account of the severe drought the past Summer, little was done to improve the appearance of our cemeteries, and it remains to be seen in what condition the lawns will be, in the coming Summer.

Numerous bequests have been received during the past year, making a substantial sum to add to the Perpetual Care Fund.

## GOFFSTOWN SCHOOL DISTRICT

*To the Inhabitants of the School District of the Town of Goffstown, in the County of Hillsborough, State of New Hampshire, qualified to vote in the district affairs:*

You are hereby notified to meet at the High School Auditorium in said district on Saturday, the 7th day of March next at 2 o'clock in the afternoon to act upon the following articles:

ARTICLE 1. To elect a moderator for the ensuing year.

ART. 2. To elect a clerk, a treasurer, and an auditor for the ensuing year.

ART. 3. To elect two members of the school board for the ensuing three years.

ART. 4. To determine and appoint the salaries of the school board and other district officers.

ART. 5. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.

ART. 6. To hear the reports of the auditors, treasurer, and school board, and pass any vote in relation thereto.

ART. 7. To see if the district will vote to allow the school board to use its discretion in paying tuition at an approved New Hampshire High School not to exceed the tuition charged for pupils enrolled in the Goffstown High School for pupils to whom it will be a manifest hardship to attend said school.

Art. 8. To see if the district will vote to decrease the membership of its school board by electing, at this annual meeting, one school board member for a term of three years and one school board member for a like term at each annual school meeting thereafter until the membership of said board shall have been reduced to three.

This article is inserted in response to a petition signed by ten legal voters of the district.

Art. 9. To transact any other business that may legally come before said meeting.

Given under our hands and seal this 20th day of February, 1942.

## REPORT OF THE SCHOOL BOARD

*To the Citizens of Goffstown:*

Mr. Harlan E. Atherton was elected our Superintendent of Schools to fill the vacancy caused by the death of Mr. Tarney, at the annual meeting of Supervisory Union No. 19 held at Weare on April 30, 1941. Mr. Atherton is a graduate of Yale University and has had several years experience as Headmaster at Charlestown, Wilton and Salem, N. H.

The attendance in the High School is the largest in the history of Goffstown, principally due to the required attendance of all Freshmen at Goffstown High School in accordance with the State Board of Education ruling in connection with the consolidation of the two school districts. The present facilities are being used at near capacity and serious thought should be given to providing more room for future increases in enrollment.

Goffstown schools have felt the effect of war conditions as in other communities, principally by loss of our teachers to larger schools which pay higher salaries. It has been necessary to employ eight new teachers this year to fill vacancies and scarcity of teachers available has been noted. It should be added however that Goffstown is not peculiar in this respect because there have been many more changes of teachers all over the State than in recent years.

New equipment purchased is described in the Superintendent's report on another page. Minor repairs were made in the school buildings, some of the more important being as follows:

High School Building. Corridors, one class room and offices painted.

White School Building in village. New fire escape to second floor to provide more safety and prevent damage

to tin roof by walking across same in case of fire drills. Extra fire extinguishers placed.

Shirley Hill School. Painted inside and out.

Parker Station School. Installed a new furnace and cut a door to allow entrance to the basement from inside the building.

The School Budget for the year 1942-43 has been prepared by the School Board as required by law, details of which you will find on another page under title School Board's Estimate for 1942-43. The School Board is earnestly trying to keep expenses down in this war period especially and yet not lower the efficiency of our school system. The budget this year is the lowest for the past several years and will result in a substantial reduction in next years school tax rate.

We wish to mention and acknowledge the faithful work and co-operation of our Superintendent, School Nurse, Teachers, and Parents, also our School Carriers.

Respectfully submitted,

RAYMOND C. GREER,
PHILIP P. WHITTIER,
RUTH B. LUSCOMBE,

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

---

*To the School Board and Citizens of Goffstown:*

It is with pleasure that I submit my first annual report as Superintendent of your schools.

Schools opened in September with several new teachers. William A. Parkinson of Manchester, a graduate of Keene Teachers' College with a year's experience as shop instructor at Wolfeboro, replaced George Jones who resigned to accept a position at Lancaster High School.

Mrs. Eunice Marshall of Weare, a graduate of the University of Vermont with previous experience as teacher in Belmont, Massachusetts, took the position in French and Latin which Mrs. Elaine Eldridge gave up to accept a position in Edward Little High School, Auburn, Maine. Mrs. Marshall served as special teacher here last year.

Miss Doris Baker of Manchester, a graduate of Plymouth Teachers' College with experience as commercial teacher in Pittsburg and Woodsville High Schools, assumed the position held by Miss Eva Martin who resigned to teach in Portsmouth High School.

Raigh Mason, a graduate of the University of New Hampshire, with a year's experience in business, was engaged as an additional teacher in English, general science, and history.

Robert Stillings of Fabyans, a graduate of Keene Teachers' College, was engaged as Principal of the Bartlett School after Laurence Goss resigned for further study at Keene. In October when Mr. Stillings enlisted in the United States Army, William H. Rodgers, of Taunton, Massachusetts, a graduate of the State Teachers' College at Bridgewater, assumed the position as Principal.

Miss Ruth Jones, who had been teaching at Grasmere, was transferred at her request to fill the fifth and sixth grade position in the White Building when Mrs. Mildred Stiles resigned to move to Portsmouth.

Miss Loretta Manter of Taunton, Massachusetts, was elected to the vacant position at Grasmere. Miss Manter has a Master's degree from the State Teachers' College at Bridgewater.

Miss Lillian Westergren of Wellesley Hills, Massachusetts, a graduate of the State Teachers' College in Framingham, with previous teaching experience at Concord, Massachusetts, was engaged to teach grades 3 and 4 in the White Building at the resignation of Miss Florence Harris who was elected to a position in Concord, New Hampshire.

Mrs. Hildred Cushman of Montgomery, Massachusetts, a graduate of the State Teachers' College at Framingham with previous experience in Massachusetts at Hopkinton and Granville, replaced Miss Louise Pihl at Shirley Hill. Miss Pihl resigned to teach in Henniker.

Miss Helen Kendrigan who had been teaching at the Bartlett School was transferred to Parker Station when Mrs. Mildred Spear gave up her position there to live at home.

The enrollment last year as will be seen in the table at the end of this report was 510. This year to date 493 have enrolled. All high school Freshmen in Goffstown have been required to attend Goffstown High School this year in accordance with the State Board of Education ruling in connection with the consolidation of the two school districts. This has increased the high school enrollment. The number of pupils at the Bartlett School has decreased by 29 since last year. Enrollments at Grasmere, Shirley Hill, and Parker Station have decreased slightly in the same period.

Several improvements have been made in equipment the past year. New furniture in the commercial room at the high school filled a real need, as did four new typewriters and a mimeograph duplicator. Reference books for the high school library, replacements in high and grade school text books, and modern basic reading material for all the first grades in the town have been purchased. A microscope for the high school laboratory and a new sewing machine for the home economics room have been furnished. The repairs, painting, and refinishing accomplished by the School Board in the different buildings during the summer have added to the attractiveness of the schools and served to preserve the property. Improvements in fire escapes and fire equipment, as recommended by Fire Chief Maurice Farley following an inspection of the buildings, have been made with the aim of providing greater safety for our school children.

Goffstown is fortunate in having a well trained and competent group of teachers. They are doing a fine job with cheerful good will. The report given by Mr. Allen contains more detailed information about the high school which is running smoothly and efficiently.

Schools will be affected in many ways by war conditions. War is no respector of individual needs. Already there is a shortage of teachers. The draft and defense boom with inflated living costs, which compel low salaried teachers to accept better wages in business and industry, are responsible for this. The result is keener competition everywhere to secure and keep good teachers. Looking beyond the immediate danger to our children's educational welfare, we must realize that effective education is the bulwark of democracy in the future. When our young people leave our schools to take their places in society we want them to be well equipped to face the competition of modern living. Under these circumstances

we should endeavor to keep good teachers as replacements will be difficult.

The cost of text books and supplies has already increased. Shortages in materials are developing. We may have to spend a little more for books and supplies. At the same time we must try to conserve on their use by steady effort to eliminate any waste or abuse of materials.

True patriotism can be shown by teachers and pupils alike in making the most of what we have and doing the best job possible in the face of difficulties.

The cooperation being shown by parents, other citizens, and members of the school organization is of great value to our schools and is very much appreciated.

Respectfully submitted,

HARLAN E. ATHERTON,
*Superintendent of Schools.*

## HEADMASTER'S REPORT

### GOFFSTOWN HIGH SCHOOL

The total number of pupils enrolled in the high school last year was 163, of which number 143 finished the year. The total this year to February first is 189 (columns one and two):

| Class | Sept. 1 | Entered | Left | Feb. 1 | Reasons for leaving | |
|---|---|---|---|---|---|---|
| Seniors | 40 | 3 | 1 | 42 | Moved | 5 |
| Juniors | 42 | 0 | 5 | 37 | Work | 7 |
| Sophomores | 38 | 1 | 2 | 37 | Unable to come | 1 |
| Freshmen | 63 | 2 | 7 | 58 | Not interested | 2 |
| Totals | 183 | 6 | 15 | 174 | | 15 |

The 23 seniors who graduated last June were slightly above the State average in intelligence and considerably above in achievement, particularly in English. Sixteen had a 4-year average above 80%; the class average was 83½%. Eight are attending college, three are in special training schools, two in hospitals, four in offices, and six in other work. Thus thirteen are receiving training beyond high school and ten are gainfully employed. Six won scholarships.

Extra-curricular activities have been Student Council, Traffic Patrol, Flying Squadron, Athletic Association, Hi-Y. Tri-Y, Glee Club, Orchestra, Basketball, Baseball, Prize Speaking, Senior Play, Junior Play, five class parties, a dancing class sponsored by the Y clubs, a Benefit Night for the Athletic Association, and some assemblies by the pupils. To these have been added a school paper—The

Broadcaster, more pupil assemblies, Badminton, Boxing, Softball, Tennis, and Volley Ball. A one-act play contest between the four classes was used for the Benefit Night, and a winter carnival is being planned, weather permitting. Parent's Night has been held. Fire hazards have been reduced or eliminated and the school organized for air raid drills. First Aid instruction is being offered teachers and pupils, the older boys are serving at the observation post, the commercial department has made thousands of copies of instructions for home defense, and given other help to the local defense council.

The mechanics of the curriculum have been simplified, giving us more freedom in fitting the subjects a pupil takes to his needs and interests. New equipment has been added. We have the problem of maintaining standards in the academic subjects to meet college requirements, and at the same time provide for the boy or girl who will go to work after finishing high school. The problem is solved in part by adding courses in shop work for boys and domestic arts for girls, making full use of our commercial department, including practical experience in the school offices and occasionally for town officials, and making the standard high school subjects more flexible in content. The next few years will probably see considerable changes in our high schools.

The quality of a school is determined, not by the building and equipment, but by its pupils and teachers. I feel justified in saying that our high school is above the average and, realizing that this is true largely because of the understanding and cooperation of parents, I wish to express my appreciation of the interest and community spirit that have been evident to the teachers in many different ways.

Respectfully submitted,
ALVA Z. ALLEN, *Headmaster.*
